SELECTMEN'S REPORT

To the Citizens of Boscawen:

That the people of Boscawen, may more fully comprehend the financial assistance the town has received for W. P. A. Projects and what was accomplished by obtaining such projects, we submit the following report:

When allotments were available, every effort was made to get our town's share, and the town's resources, such as the gravel bank and power shovel, were carefully utilized with the money raised for W. P. A., to make the Sponsor's Contributions, necessary to obtain such allotments. The town of Boscawen received for the Projects, the sum of \$23,032.18.

Local private employment in town, has been no better this year, and the Relief Situation has been even worse, as a great many last year were receiving Unemployment Compensation, and having received their full amount, were left without any income.

This sum of money coming into town, not only permitted us to accomplish many permanent improvements, but has given employment to so many that there is scarcely a person in town, who has not, either directly or indirectly received some benefit. The benefit may have been from direct employment, permitting the majority to be self supporting or from purchases made by those employed. It may have been through lower taxes, from improved sewer systems, improved roads and roadsides, or from the general clean up and fire prevention resulting from the hurricane disaster, of which a large portion would necessarily have had to be left undone.

Under our sewer project we have laid 1360 ft. of new pipe and have relieved situations that have needed attention for some time. All hand labor was paid for by W. P. A.,

the town furnishing only new material and what little truck hire needed.

Under our road project, we have put out nearly 9000 cubic yards of grade and gravel and have cut the brush and wood from both sides of 16 miles of highways. T. R. A. (Town Road Account) money, of which the State contributes "four to one", was used jointly with W. P. A. funds to construct a larger number of feet on Corn Hill road, than was possible with T. R. A. alone.

Under Project No. 2010, Forest Fire Hazard, we have cleared all brush and branches from fallen timber, 50 feet back from edge of road, along 16,972 feet of highways. We have also cleared $9\frac{3}{4}$ acres of land, covering areas extending 200 feet around road side stands and other areas subject to public travel. This project commenced Nov. 11, 1938 and to Jan. 31, 1939, had a payroll of \$4,766.00 of which no contribution was required from the town.

Under Project No. 1755, known as Parks and Playgrounds, the S. O. S. club sponsored and supervised, with no expense to town, from July 24 to November 8, 1938, a W. P. A. project with a payroll from W. P. A. amounting to \$2,518.00. Work consisted of cleaning up park and construction of Tennis Court.

During the tornado, the timber on the town lot was blown down and in salvaging, about \$1,300.00 was spent. The cost was minimized by the low bidding for mill operation and logging. The cutting and loading was done with W. P. A. labor, bringing the net cost of putting the lumber on the sticks to \$6.25 per thousand feet. About 200,000 feet were salvaged. We estimate to realize a net income from the sale of the lumber of about \$3,500.00 and recommend that it be applied to our town debt. Had we paid in cash for chopping and loading this lumber, it would have equaled a large proportion of the town's money spent for W. P. A. projects for the entire year.

The securing of W. P. A. projects was in the hands of your town officers, also when and where it was to be applied, but the regulations were stipulated, and whereas some things might seem to some of us, as unnecessary and expensive, failure to comply meant withdrawal of funds and abandonment of project.

This year there was an unexpected decrease from the estimate given us by the State, over which we have no control, of about \$1000.00 in our Railroad, Interest and Divident Tax.

Our financial summary shows, Net Debt, January 31, 1938, \$16,148.97. Paid on Principal of long term notes, as voted by town, \$2,000.00. Paid for Emergency work caused by Flood and Tornado, \$2,529.99 and \$1,343.95 for operation of Town Lot. Had we not had the expense of work caused by Flood and Tornado and Operation of Timber, we would show a Surplus of \$3,742.38. Net Debt, January 31, 1939, \$14,280.53.

Respectfully submitted,

CLYDE G. FAIRBANKS,
HOWARD L. HOLMES,
GEORGE C. SUMNER,
Selectmen of Boscawen.

AUDITORS' REPORT

We, the undersigned Auditors of accounts of the Selectmen and Treasurer of the Town of Boscawen for the years 1938-1939, report that we have examined the accounts and find receipts and cash on hand to have been \$102,226.68 from January 31, 1938 to January 31, 1939, and disbursements paid on orders from the Selectmen from Nos. 7682 to Nos. 8648 inclusive, to have been \$99,042.65. All of which are properly vouched and correctly cast.

We have also examined the books of the Town Clerk, Tax Collector, Trust Funds and Municipal Court and find the same correct.

FIRE WARDEN'S REPORT

We wish to thank all citizens for the cooperation they have given us in the securing of permits for burning grass, brush and rubbish. We ask you to be extremely careful this spring because of the condition of the woodlands.

221 Fire Permits were issued.

Called to 16 grass—brush fires.

Number of acres burned—6.

Estimated damage—\$60.00.

Six fires put out because of no permits; district fire-chief notified.

Twenty-one ban notices were posted during the closing of the woodlands.

Four sawmills inspected.

SYNOPSIS OF FOREST FIRE PERMIT LAW

(Chapter 191, Public Laws)

No person shall kindle a fire upon the land of another without permission from the owner, agent or caretaker thereof.

No person shall kindle a fire or burn any material in or near woodlands, pastures, brush, sprout, waste or cut over lands, or where the fire may be communicated to such land, except when the ground is covered with snow, without the written permission of the Forest Fire Warden or the presence of the warden or person designated to superintend such burning.

Any person, firm or corporation causing or kindling a fire without a permit, when a permit is required, and also any person, by whose negligence or the negligence of his agents

any fire shall be caused, is liable to the town for all expenses incurred in attending or extinguishing such fire.

Every person who shall set fire on any land, that shall run upon the land of another, shall pay to the owner all damages done by such fire.

When permission has been obtained from the land owner, camp or cooking fires may be kindled without permission of the Forest Fire Warden (unless such permission is required by city or town), at suitable times and in suitable places where they will not endanger woodlands. Upon failure to totally extinguish such fires the parties responsible are subject to the same liabilities and penalties as are prescribed for other fires.

Penalty for kindling a fire without a permit, \$200, or imprisonment not more than thirty days.

Penalty for kindling a fire wilfully, or in a careless or imprudent manner, \$500, or imprisonment not more than one year, or both.

We expect to have two days in the spring when the citizens can get their rubbish, brush, etc., together in one pile and with the cooperation of the Fire Department can be burned.

Read the fire laws carefully. Show your cooperation by first getting a written permit and burn as the laws have stated.

ROY CARR, *Warden*.

Deputies—Edward Girard, Arthur Bartlett, Arthur Folsom.

GRAVE FOREST SITUATION FOLLOWS SEPTEMBER HURRICANE

Woodland problems of timber salvage and fire control created in many towns by the September hurricane are of the greatest importance. GOOD CITIZENSHIP CALLS FOR PERSONAL AND WIDESPREAD ACTION!

The salvage of every thousand feet of logs which can be sold means money for landowners, wages for workers, employment for trucks, teams and machinery, as well as reduced forest fire hazard for all. If owners of windthrown timber have not yet acted, they should communicate with those who can help. TOWN CHAIRMEN are fully informed; STATE ADVISORY AGENTS can help to start logging by suggesting names of operators and giving other useful advice; FEDERAL AGENCIES are increasing the number of log storage places as rapidly as possible. INDIVIDUALS MUST NOW COOPERATE!

Forest fire danger for several years will be greater than usual. So much work must be done by public agencies to reduce hazard along roadsides, near improved and other exposed areas that many places will remain hazardous for some time to come. INDIVIDUAL LANDOWNERS MUST TAKE A PERSONAL INTEREST! Aid in clean-up work through the Agricultural Conservation Program is available to any woodlot owner at \$4.00 per acre on areas up to 15 acres. The County Agent should be consulted.

Support your local Forest Fire Wardens and Deputies. They are planning, with State and Federal agencies, an intensive campaign to control fires. Help them by strict observance of the fire laws. Kindle no open fires without a permit from the Warden except when the ground is covered with snow. Cooperate by reporting fires you may see and in other ways. Fire fighting tool supplies are inadequate and should be reasonably increased in many towns. YOU CAN HELP, AND IT WILL PAY, TO PREVENT FOREST FIRES!

BOSCAWEN PUBLIC LIBRARY

The schedule at the Library maintains these hours the year round, namely:—Tuesdays, 2:00 to 4:30 o'clock; and 6:30 to 8:00 o'clock. Saturdays, 2:00 to 4:30 o'clock.

Penacook Branch maintains these hours, namely:—Mondays, 3:00 to 5:00 o'clock; Wednesdays, 3:00 to 8:00 o'clock. To give better service to the patrons of the Penacook Branch, the librarian, Mrs. Marjorie Emery, suggested opening the library Monday afternoons as an experiment which has proved to be very successful, as the circulation has increased by an average of 100 books weekly since the first of September.

Circulation average per week increased from about 300 books last year to 493 weekly this year.

Sub-stations still continue at the High Street school and Water Street school, where adult books are available, also at the Merrimack County Farm.

The Vacation Reading Club was conducted as usual with 34 registering at Boscawen and 36 at Penacook. The school teachers cooperated with the librarian in observance of Book Week. Parties were held in Penacook at the Main Street school and at Boscawen in the town hall. Each pupil presented one number on the program and a Puppet show was presented by Federal workers from the Public Library Commission, Concord. The librarian awarded the certificates to the boys and girls who completed the work required in the club. Both parties were largely attended.

The Penacook and Boscawen Congregational Churches enrolled in the reading contest.

The librarian attended the District meeting at Concord and was re-elected Secretary and Treasurer, also attended the library school at University of New Hampshire when she applied for and received Certificate of Librarianship.

Mrs. Emery also attended the annual conference of the New Hampshire Library Association at Durham and was elected second vice-president, which office carries the responsibility of all District meetings held in the State. Others attending this meeting were: Mr. Edward Webster, library trustee, Mrs. Webster and Mrs. Villa H. Wight.

Federal worker, Ariel Florence, deserves much credit for her work and is a valued help to the library, assisting with typing, cataloguing and mending 1845 books.

Circulation this past year has been 25,680, an increase of 5,535 over last year. Adult—fiction, 13,545; non-fiction, 2,592; Juvenile—fiction, 5,337; non-fiction, 2,971; magazines, 1,235.

314 books have been added—107 by gift; 207 by purchase. We would express our thanks to the donors, Mr. and Mrs. Edward Webster for their gift of 84 volumes, including the complete works of Sir Walter Scott, Mark Twain, James Whitcomb Riley and Robert Louis Stevenson; also to Rev. Asa M. Parker, Mrs. Mary K. Colby, Miss Edna Ballard and Jonathan McIntyre for books received.

Many children use the card catalogue at the library and there is need of the same at the Penacook Branch.

The library was attractive during the Christmas season with the usual decorations.

During the past year the Board of Library Trustees have held monthly meetings. Rev. Whitman S. Bassett was appointed a trustee of the Library in May to fill the unexpired term of Supt. of School, George W. Sumner. Mr. Sumner had been a member of the Board for several years but his school work has increased to such an extent that he felt it necessary to resign.

ELIZABETH G. HALL,
Secretary of the Board of Trustees.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the Town of
Boscawen, qualified to vote in District Affairs:*

You are hereby notified to meet at the Town Hall in said district on the 18th day of March, 1939, at 2:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will raise and appropriate fifty dollars (\$50.00) for expense of administration.

10. To see if the district will raise and appropriate one hundred fifty-seven dollars and forty-nine cents (\$157.49) for insurance.

11. To see how much money the district will raise and appropriate to improve the heating system in the Penacock School building.

12. To see if the district will authorize the School Board to purchase land to enlarge the schoolhouse lot at Boscawen Plains, and to raise and appropriate money for this purpose.

13. To see if the district will raise and appropriate \$515.51 to meet a deficit for the current year.

14. To transact any other business that may legally come before said meeting.

Given under our hands at said Boscawen, this 17th day of February, 1939.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens:

All the schools opened in September with the same teachers as last year. In December, Mr. Richards was released, at his request, to take a position in another state. Mr. Whittemore, his successor, was trained at Keene Normal School and comes to us well recommended from districts where he has been employed.

The attendance Table for 1937-38 shows an increase over the previous year of 24 in number registered, 10 in average membership, 1 in per cent of attendance. The number of cases of tardiness has been cut nearly one-half. Note the rather unusual excess of boys over girls: 134 boys, 88 girls.

The Board's estimate for high school tuition last year was too small. You will note that 68 Boscawen children were registered in high schools in the fall of this school year, but some of these have dropped out. We estimate that we need to provide for 70 pupils for the coming year, a total of \$5,300. There is an increase of \$600 under this item; of \$115 under transportation to elementary schools; a new item, \$175 for transportation to high schools; and \$110 increase in fuel cost.

These increases have been partly met by small savings in other items and by an increase of about \$590 in State Aid. These leave the total budget for next year \$237.27 larger than the amount raised last March.

In addition we are forced to ask for an appropriation of \$515.51 to balance the books at the end of the current year, June 30, 1939. This deficit is made up in part of a net debt of \$175.65 at the close of last year, and flood and tornado damage this year estimated at \$285.00.

Recommendations and estimates for improving the heating system at the Penacook School building will be made at the district meeting.

Respectfully ,

GEORGE W. SUMNER,

February 20, 1939.

THE "NO SCHOOL" SIGNAL

Two strokes of the fire alarm bell given three times (2-2-2), and the same number of blasts of the siren on Torrent Hose House, is the signal for closing schools for one session. Its meaning depends on the time of sounding.

When sounded at 7:30 in the morning, ALL SCHOOLS in Penacook will be closed for the forenoon session.

When sounded at 8:00 o'clock, grades one, two, three and four will be closed for the forenoon session.

When sounded at 1:45, ALL SCHOOLS will be closed for the afternoon session.

When sounded at 12:15, grades one, two, three and four will be closed for the afternoon session.

In connection with the signal sounded at 7:30 in the morning, the street lights will be turned on for about three minutes.
